## **CENTRAL LAKES CONFERENCE STRIKE POLICY**

If a high school in the Central Lakes Conference is involved in a strike, any athletic contests that are scheduled and not played while that school is on strike will be forfeited to the school that the striking school would have played had there not been a strike. The forfeit will stand as a win for the non-striking school; a loss for the striking school. In the event that both schools in the scheduled contest are on strike and choose not to play, both will receive a loss. In the event one school is prepared to play, that school will receive a win, the other a loss. There will be no make-up of forfeited games caused by a strike.

### **A. INTERPRETATIONS:**

1. On the date school A and B are contracted to play, school A is on strike and the activity program is discontinued. Result: Loss for A; win for B.
2. On the date school A and B are contracted to play, school A is on strike and continues to conduct the activity program. Result: The game is played as contracted and the score of the game determines the winner.
3. On the date school A and B are contracted to play, both schools are on strike, and both schools continue to conduct their activity programs. Result: The game is played as contracted & the score of the game determines the winner.
4. On the date school A and B are contracted to play, both schools are on strike and have discontinued their activity programs.  
Result: Both A and B forfeit. A loss for A; Loss for B.
5. On the date school A and B are contracted to play, both schools are on strike, A continues to conduct their activity program, B does not: The game is not played. Result: Game is forfeited. Win for A; Loss for B.

### **B. COURTESIES AND NOTIFICATION**

1. In the event a striking school will not be prepared to play, the opposing school should be notified by 3:00 p.m. of the day prior to the scheduled event, and no later than 9 a.m. the day of the event.
2. If a school has officially notified a Central Lakes Conference meet manager that they are on strike and/or not participating in the meet, the meet manager will not permit representatives of that school to participate.
3. Notification of intention will be handled by the superintendent or his designee - most likely the Athletic Director.
